Woo hoo! Whew! Take a deep breath! All the things that	Athlete	Mile 1	2 Miles	Mile 2	Finish	Mile 3	Place	Place	Place	Go	Year PL	Last Year Time	Split from #1	Difference
were so nerve-wracking before are done! You have done	L .													
a tremendous job leading this team all season, and today														
you got to experience the thrill of qualifying for STATE! I														
know this wasn't even on your radar as a freshman, and I														
can't commend you enough for what it took to get to this														
place. You were strong and composed, but I really don't think this was your best race even. I'm happy about that														
thoughyou did a fantastic job, and now you can relax														
that the team has qualified and just race your heart out														
next week! Congratulations, Abby!	Flammersfeld, Abby	5:54	12:22	6:28	18:36	6:14			15	5				
Ahhhh! Congratulations! You ran a perfect race today!														
Coach Ideran and I were both very impressed by your poise and ability to know where you were in the race and														
to execute perfectly. You ran great and are officially a														
STATE QUALIFIER! Nice job, Kendra!	Standish, Kendra	6:02	12:36	6:34	19:05	6:29			31					
Congratulations! State Qualifier! You ran great today and														
moved up in the race and tracked down a lot of the girls														
we needed to catch in order to meet our goal! I'm so														
proud of you, and you deserve to be so proud of yourself!	Ede, Morgan	6:05	12:53	6:48	19:09	6:16			34					
Great job, Morgan! Yay! You ran awesome!!! This was definitely one of your	Lue, worgan	0.03	12.55	0.40	15.03	0.10	1	-						
best races ever, and I'm so proud of you! I think it's funny														
that you thought you guys hadn't done enough to qualify,														
when you did everything we could have asked! Great job,

Congratulations! State Qualifier! I'm so proud of your														
efforts all season long, and I wish I had been able to see														
your last 200 meters because I heard it was amazing! Way to never give up and keep passing girls until the														
finish. Those moves are why we qualified for STATE!														
Awesome job, Katherine!	Sim, Katherine	6:05	12:54	6:49	19:16	6:22			39	9				
Congratulations on achieving a huge goal I know you have														
had for a long time! I'm so proud of you and your														
continuing efforts throughout the past four years, and of														
your race today! I'm sure there were tough patches, but you never gave up and you pushed to the end with your														
teammates, just like you know you needed to and we														
knew you could! Great job, Amanda!	Bonczkowski, Amanda	6:07	12:53	6:46	19:18	6:25			42	2				
Woo hoo! State Qualifiers! You ran tough today and														
should be so proud! Remind yourself that you are capable	2													
of a big break through and now you have another chance	6	6.00	42.20		20.4-				100					
to do it at STATE! Congratulations, Isabella! Great job!	Gyori, Isabella	6:26	13:39	7:13	20:47	7:08			102					
I know you didn't get to race today, but you have been so														
instrumental in this team accomplishing this goal, so														
congratulations! I appreciate every day you show up and	Gall, Elyssa
